**Subject:** MRT Announcement  
**Importance:** High

Teachers,

Please re-read this announcement to students during MRT periods today.

Purdue Calumet will be at MHS tomorrow. Student representatives are looking to talk with students color and female students about opportunities in Engineering.

If you have any students interested, please send them to sign up today in Guidance. Today is the last day that students can sign up to meet with the PU reps.

1. The Purdue Northwest Chapters of the National Society of Black Engineers and the Society of Women Engineers will be visiting Munster High School on February 7th during second hour. They will be making a presentation about engineering studies and careers as well as the benefits of membership in their organizations. The presentations will be aimed primarily at African-American and female students interested in engineering fields, but all students interested in engineering are welcome to attend. To attend this presentation, please sign up in the Guidance Office.

Thank you as always.
